## PRODUCT SPECIFICATION FOR INFORMATION

PRODUCT NAME : HDMF-DPX TYPE

PART NO: HDMF0947R0902B25M

| ITEM                | TX                           | RX                           |
|---------------------|------------------------------|------------------------------|
| Center frequency    | 902.5MHz                     | 947.5MHz                     |
| Bandwidth           | +/-12.5MHz                   | +/-12.5 MHz                  |
| Insertion loss      | 2.0dB Max.                   | 2.0dB Max.                   |
| Ripple in Bandwidth | 1.0dB Min.                   | 1.0dB Min.                   |
| Return Loss         | 18dB Min.                    | 18dB Min.                    |
| Attenuation         | 50dB Min. @<br>935MHz~960MHz | 50dB Min. @<br>890MHz~915MHz |
